

A Letter From: *Bill Faloon: Director - the Life Extension Foundation*

A Special Invitation to Meet the Cryonics Leaders of Today and Our Future -
All While Being Updated On the Latest LEF Funded Scientific Research

Greetings to *All Young Cryonicists*,

I am looking forward to meeting (and reuniting with) as many of you as possible -
in person. I respect the foresight you have shown by signing up early. I would
like to review the goals of this gathering and then give you an overview.

Goals:

- ★ Educate young cryonicists about developing emergency response technologies
and revival strategies.
- ★ Develop a continuing social network of like-minded individuals who otherwise
might not have the opportunity to meet in person.

Overview:

This education seminar/gathering is sponsored by the Life Extension Foundation
(LEF) (www.lef.org), a non-profit organization. The genesis of LEF began at a
cryonics meeting in 1976. *Saul Kent* and I met with wealthy individuals seeking
to establish an organization that would support scientific research and education
aimed at eradicating biological aging and death.

This meeting resulted in the formation of the Life Extension Foundation. *Yearly
LEF contributions* to anti-death research projects now exceed \$10 million.

Back when *Saul* and I met, our community of individuals signed up to be cryo-
preserved totaled only a fraction (less than 10%) of what it is today. Regular
monthly meetings enjoyed an almost 100% attendance. Cryonicists developed
strong social bonds in those days and relied upon each other's volunteer services
for emergency responses and even perfusions and encapsulations.

We have witnessed the advent of the Internet and a move to paid professionals to
provide what used to be volunteer cryo-preservation services. Unfortunately, we
have also witnessed the fragmentation of our community of more than 2,000 signed
up cryonics members (in terms of personal interaction).

As increasing numbers of younger individuals sign up to be cryo-preserved, it has
become apparent that a gap exists between today's aging cryonics leaders and
those destined to be the future leaders of cryonics related organizations.

The twofold focus of this special Young Cryonicists Gathering will be one, for you to get to know each other and to provide you with the opportunity to meet a few of those responsible for today's ongoing advances occurring in cryonics AND for us to get to know each one of you - all while two, being updated on our latest scientific research developments.

Cairn Idun, founder and director of "Teens and Twenties" events, understands that each of you has your own preference for social introductions. She has organized a variety of "getting acquainted" activities with the objective of having no unmet introductions and bonding opportunities.

This gathering creates an environment for today's scientific and financial caretakers to get to know and educate the future leaders of cryonics AND for you to get to know each other AND, as a consequence, draw strength from each other. We are each others resources.

Enjoy this exciting and fulfilling weekend.

SCHOLARSHIPS: cover airfare, hotel, food service and registration fee.

LEF, through an education grant, is offering 40 scholarships that pay for the following:

- ◆ U.S. round-trip airfare (from your home address) to and from Las Vegas (or up to \$1000 for origin outside the U.S.; \$1350 for Australia)
- ◆ Hotel accommodations for Friday and Saturday nights. Thursday or Sunday night is covered ONLY if we determine that it is necessary to arrive in time and attend the entire event (depending upon flight availability). Thursday & Sunday nights will also be covered for scholarship attendees choosing to room together.
- ◆ Meals and beverages on Friday night, all day Saturday, and Sunday through lunch
- ◆ Registration fee - \$350 - covered by your scholarship

These will be awarded on a first (fully completed application) come, first granted basis to 40 fully signed up and verified cryonicists (i.e., having a funded contract with a recognized cryonics provider), ages 18 through 30. Teens aged 13-17 may apply and attend when accompanied by a parent or guardian. Parents/guardians of attendees aged 18-19 are also encouraged to accompany their child. All attending parents will be put in touch with each other should they choose to create their own "get together" during the "young cryonicists" gathering.

With respect for your foresight,

Bill Faloon: Director - The Life Extension Foundation **Your Host**

The Seventh Annual Young Cryonicists Gathering

Teens & Twenties 7 2016: Getting to Know You - You Getting to Know Each Other - All While Being Updated on the Latest Scientific Research

Fri-Sun; April 8-10, '16 Ontario, California Host: The Life Extension Foundation - Director: Bill Faloon

Who: Fully SIGNED UP (financially covered & contracted) cryonicists from their teens through twenties (13-30) may apply to attend (13-17 accompanied by parent or guardian). Those under 21 must room with someone 21 and over.

Expenses: Forty (40) scholarships [covering U.S. air fare (or up to \$1000 for origin outside the U.S.; \$1350 for Australia), 2 nights lodging (3 only if we deem necessary; 4 IF you room with a scholarship attendee) plus registration, meals & refreshments] are offered through a generous education grant from the Life Extension Foundation (LEF). Notification of acceptance to attend, plus receipt of a scholarship, will generally be made within one to two weeks from arrival of both the application and the handwritten "agreement." Flights will be scheduled for Friday morning and Sunday evening (unless a timely request is made for other days) using the best flight rates - Thursday & Monday for roommates.

SCHEDULE (subject to fine tuning)

Friday, 6:30 pm - 10 pm Dinner & Get Acquainted Room will open at 5:30 pm.

★ Welcome: Cairn Erfreuliche Idun & Bill Faloon

★ Brief self introductions - Please repeat your name each time that you speak.

★ "Getting to Know You" Activity: Cairn Idun

Saturday, 8:00 am - 9 am Breakfast, Informal Socialization

9 am - 6 pm (Noon-1 pm: Lunch)

★ "Getting to Know You" Activities: Cairn Idun

Each one of you has your own preference for socializing. Each one of you possesses your own level of comfort and skill when meeting someone new. I will therefore include a variety of "getting acquainted" activities. Simply having unstructured social events usually leaves many unmet introductions. Remember: While you are being updated on the latest scientific advances we have two additional goals. ONE: A few members of our asset preservation group want to get to know each individual with enough foresight to sign up for cryonics at a young age. TWO: You receive the opportunity to get to know others like yourselves. As a consequence we can draw strength from each other. We are each other's resources. Cairn

★ John Schloendorn & Nuno Martins: Research Updates from our Distinguished Alums

★ Optional Contact Exchange - A "Stay in Touch" Network, Forum & Meet-ups

6:30 pm - Dinner

★ Bill Faloon: Current Scientific Advances and Topics

★ "Getting to Know You" Activities & Entertainment by Our Talented Attendees: Cairn Idun

Sunday, 9:00 am - 10 am Breakfast, Socialization

10 am - 5 pm

(1 pm - 2 pm: Lunch - Then tours of Suspended Animation & 21st Century Medicine)

★

★ "Getting to Know You" Activities: Cairn Idun

★ Closing Remarks

We look forward to enjoying your company and "getting to know you." Cairn Idun & Bill Faloon

Scholarship Recipient Agreement

All scholarships to Teens & Twenties 7 - 2016 are dependant upon a handwritten, signed, dated and timely receipt of the following agreement. This is meant to accompany your application.

Please use black ink to copy the following ENTIRE statement in your own handwriting and insert your name where designated. Then sign and date. This unfortunate requirement is due to just one bad apple who took advantage of the free hotel room BUT did not attend any of the events. She did however show up for free meals. The goal is to discourage abuse. If you think this form of theft is no big deal, it is best that you also not apply. This gathering is specifically for those who WANT to get to know ALL attendees & who WANT to participate. This is a scholarship to peacefully ATTEND T2. The name of this one individual will not be revealed. The vast majority of young cryonicists are incredibly mature - more so than the population at large. Yet any group can have that one bad element.

STATEMENT:

I, _____, understand that my scholarship to the Teens & Twenties 7 - 2016 is provisional. I will provide my valid credit card information to the hotel upon my arrival. Basic charges for my room for the designated scholarship days, and event meals and refreshments, will be covered by my scholarship at the conclusion of Teens & Twenties 7 - 2016 IF I have peacefully attended all events in full (ON TIME) & have not caused or participated in any disruptions (anything that prevents scheduled and approved activities from proceeding). IF I miss, or am late to, any event, or cause or participate in a disruption, all hotel room charges for whatever room is reserved for me (That means that if I room with someone or stay elsewhere the charges will still accrue to me.), & the actual per person cost of ALL event meals & refreshments, will be charged to my credit card. I also agree to pay back all scholarship related travel costs. An exception will be made for events outside of my control (i.e. delayed flight, legitimate illness). As a backup I may wish to pre-arrange wake-up calls with the hotel.

(date)

It is insufficient to simply sign and date this statement/agreement. Remember to LEGIBLY copy the entire statement/agreement in your own handwriting.

Your flight and registration will be confirmed upon timely (in time to get the best flight rates) receipt of this handwritten statement. Should this arrive too late to get the best rate, you will be charged for the difference. Only those applicants who provide this statement will be allowed to attend. Writing this out helps to prevent anyone from claiming they signed without reading it.

Please send your handwritten agreement to:

Self-Pay Attendee Agreement

Acceptance of a Self-Pay Application to Attend Teens & Twenties 7 2016 is dependent upon a handwritten, signed, dated and timely receipt of the following agreement. Applications to attend T2 7 2016 are not automatically accepted.

Please use black ink to copy the ENTIRE statement in your own handwriting and insert your name where designated. Then sign and date. This unfortunate requirement is due to just one bad apple. This gathering is specifically for those who WANT to get to know ALL attendees & who WANT to attend the entire program. Acceptance is based upon an agreement to peacefully and fully attend T2. The name of this one individual will not be revealed.

STATEMENT:

I, _____, understand that my admittance to the Teens & Twenties 7 2016 is provisional. If my application to attend Teens & Twenties 7 2016 is accepted, I agree to peacefully attend all events in full (ON TIME) and will not cause or participate in any disruptions (anything that prevents scheduled and approved activities from proceeding). IF I miss or am late to any events, or cause or participate in a disruption, I understand that I will be asked to leave and permanently denied admittance to any future T2 events. An exception will be made for events outside of my control (i.e. delayed flight, legitimate illness). As a backup I may wish to pre-arrange wake-up calls with the hotel.

T2 - Come Early - Stay Late

Some attendees to T2 enjoy spending extra time in California - especially since their flight is already paid for with their scholarship.

At their own expense for additional food and lodging, they are arriving early and/or spending extra days after the T2 gathering.

Each has an individual reason.

1. Spend extra time with new found or old friends.
2. Enjoy being a tourist in California.
3. Visit California family.
4. Other

Each has their own lodging preference.

1. Our discounted hotel rate extends for the 3 days before April 7 and the 3 days after April 10, 2016.
Be sure to notify the hotel if you plan to use our discounted rate for extra days.
2. Some choose nearby lodging.
3. Some choose low cost motels.
4. Some.....

Your T2 scholarship will cover an additional two nights (Thursday and Sunday) for scholarship attendees who choose to room together for all 4 nights. Attendees under 21 are required to room with someone 21 and over. This can be achieved in one of two ways.

1. Room with a parent or guardian.
2. Room with another attendee who is over 21. In this case you are eligible for Thursday and Sunday night coverage if they are also on scholarship.

IF you would like to arrive before Friday or stay later than Sunday (Thurs./Mon. for attendee roommates), THEN just let Kathy Markell know right away BEFORE she books your flights for Friday morning and Sunday evening.

Kathy has an incredibly busy schedule and will give you only one reminder to let her know your flight preference. Based upon when you apply for a scholarship, Kathy will let you know the date when your flight preference must be communicated to her. After that date she will choose a flight for you. IF you wish to change her choice then you must first cover the change fee plus \$20 for her time.

Why do we book flights early ?-----To get the best rates.

As for me, I will arrive the Wednesday before and depart the Wednesday after T2.

I enjoy my time "getting to know you."

Forever,

Cairn Erfreuliche Idun
